Magna International Appoints Altus Oil & Gas Malaysia as Authorized Distributor and Exclusive Strategic Partner for Mothballing oil and gas equipment via Virtual Signing Ceremony on 26th August 2021

Magna is pleased to announce the appointment of Altus Oil & Gas Malaysia Sdn Bhd as our authorized distributor for Vapro VBCIs, our Multi Awards Winning Product and as exclusive strategic partner for mothballing oil and gas equipment in Malaysia.

The virtual signing ceremony was held on 26th August 2021 between Dr Nelson Cheng, President/CEO of the Magna Group and Mr. Taufik Othman, Managing Director of Altus Oil & Gas Malaysia.

Witnesses from Australia, Canada, China, India, Indonesia, Mexico, Malaysia, South Korea, and Singapore attended the Virtual Signing Ceremony

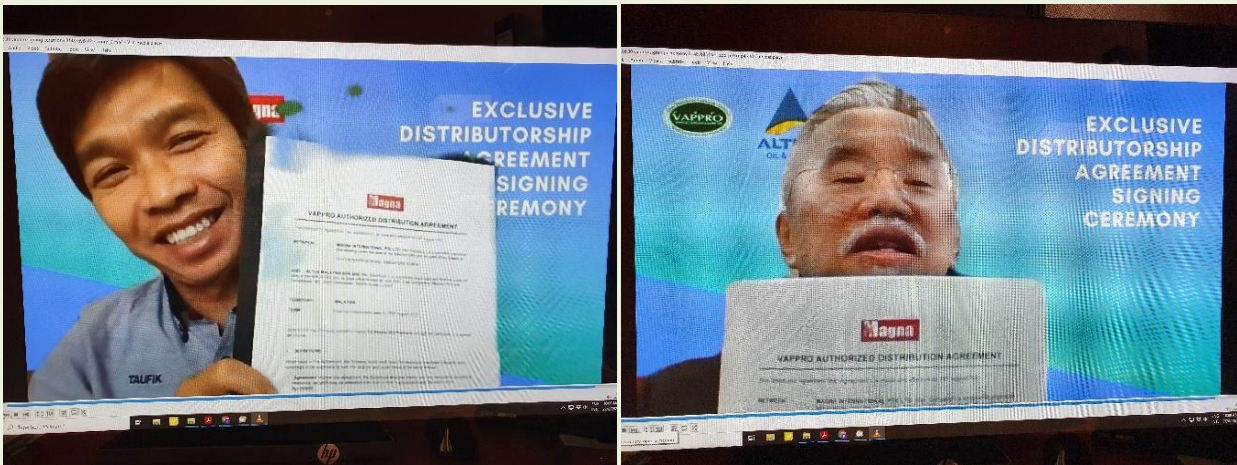

It was witnessed by Chief Technical Officer of Magna Think Group, Professor Benjamin Valdez Salas, members of Magna Think Tank Professor Mario Curiel Alavrez, Professor Roumen Koytchev Zlatev, Professor Nicola Radnev Nedev and Professor Ernesto Beltran Partida.

Other witnesses, Mr. James Cheng President of Magna Chemical Canada, Mr. Nigel Gordon, Mr. Jonathan Macmillan Directors of Magna Australia, Mr. Kenny Lee CEO of Lupromax Korea, Mr. Allen Chi Director of Lupromax China, Mr. Mahesh Mehta CEO of Ecochem India, Mr. Kartiko Soemangono CEO PT Lupromax Indonesia, Mr. Trisno Director PT Lurpomax Indonesia, Mr. Fendy CEO of PT Dynatech Batam Indonesia and Mr. Bustamni Yahaya Chairman of Altus Malaysia

Under the terms of the agreement, Altus will be the authorized distributor of Magna’s award winning VBCI Products and exclusive strategic partner for mothballing oil and gas equipment in Malaysia.

“The partnership with Magna International will enhance Altus capability greatly to offer solutions to our customers on asset integrity preservation and maintenance. Altus itself is a user of VAPPRO VCI products for some of our offshore assets. We found the products to be highly effective in preventing corrosions thus preserving our assets and value for money. With this exclusive distributorship, we can now share the benefits and value of the products with our customers and the industries” said Mr. Mohammad Taufik Othman, Managing Director of Altus Malaysia.

“As Vapro is an established brand globally, getting a distributor is an ease, however, getting a good partner to carry out the mothballing program is an uphill task. Hence, we are indeed happy to appoint Altus Malaysia as our strategic partner to carry out all mothballing projects for the oil and gas industry with immediate effect” said Dr Nelson Cheng

About Altus

Altus provides solutions to energy and logistics industries in the fields of oilfields services, marine and preservation and logistics services. Altus is the market leader for the provision of DNV certified offshore containers and other offshore equipment. Their marine solutions include rig and vessel lay ups, maintenance, and preservations.
